GROUNDBREAKING NEWS!

USI (The Unaccompanied Students Initiative) broke ground on a property that will allow them to provide shelter, support, and skills to up to fourteen homeless students at a time in Casper. Since opening in 2020, USI has provided refuge for over 75 homeless teens. Highland Park purchased the land for \$40K through Faith Promise giving which paved the way for USI to receive a \$500K grant from the Hughes Foundation for the building project. Together, we are making a difference in Casper!

UGANDA 2023

This year, we are partnering with Horizon International to help Midwest Vocational Training High School in Western Uganda finish their facility and furnish the classrooms with the resources to prepare their students to be the next generation of Christian leaders in Uganda. Come to Uganda on a Go Team this summer and experience this amazing work for yourself.

NicaChange
Inspiring life

Our friends from Nicaragua are coming to Casper in February to share the exciting news about the launch of a new organization called NicaChange. NicaChange is a Christ-centered organization with the goal of empowering Nicaraguans to impact their families and communities for Christ through small-scale agriculture and entrepreneurship. Please don't miss the chance to hear about this amazing work during our Faith Promise Sundays and how you can be a part of it.
